## About the CCA

The Conservative Councillors' Association exists to provide a strong and unified voice for all Conservative councillors within the Party and in the wider community.

Our principal roles include the recruitment, training and development of councillors and council candidates. The CCA supports councillors in their important role and provides them with the tools to both work effectively on behalf of local residents and to campaign successfully as Conservatives.

The CCA is an independently run organisation managed by the Local Government Board. The board is elected annually by members of the CCA. All elected Conservative councillors are required to become members of the CCA.
